Grand Opera Season 1898-99,

Under the direction of Mr. Maurice Gran.
Opening Night, Tassday, Nov. 29, at 7:50.
TANNHAUSER (in German).

ALL the cycling world knows about our recent distribution of a great number of Humber Wheels. At that time we drew largely upon the reserve stock of them in our Philadelphia store to meet the New York demand. Some were allowed to remain for the future certain needs of the Philadelphia market.

But New York has been clamoring for more of them, and so many expressions have come to us from people preferring to buy them here, that we yield to the request and now concentrate in this store all of the Humber Bicycles we still own. They are all strictly first-class wheels, made under our contract of this year with the Humber Company, and are the best wheels ever produced under that great trade-mark. If rumor is true this affords the last chance to buy Humber Wheels. Demoralized prices, produced by the action of the Humber Company, have destroyed all present or prospective profits, and it is currently reported as a result that no more Humber Bicycles will be made.

The prices are:

Tourists, \$42 Roadsters, \$40 Lady Humbers, \$45 Humber Chainless, \$50 Humber Racers, \$50 Humber Tandems, \$75

A complete assortment will be found in our Bicycle Store, fifth floor.
